Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You know how to use YELP already. You rate your local restaurants, hotels, etc., so that other people can filter out the good from the bad eateries and rely on your judgment. // - Get Rating Today in this revolutionary new book - we demonstrate how to use this same technology to rate the government's laws, policies and regulations and how to best give them better ideas using this simple, easy to use rating system. If you think that the American system of government works perfectly then this may not be the book for you. The truth is that our current system for choosing people to be our leaders and even the choice of ideas that they force upon us was invented by people who owned slaves and therefore, they could not afford to give the American people the right to vote directly on the issues of the day because the first thing the vast majority of people would have done would have been to ABOLISH SLAVERY. Instead, the slave-owning founding fathers gave us the Republican form of an artificial mockery of Democracy, the same one used by the Roman Empire to choose our leaders and receive their ideas and their ideas only for the solutions to our problems. For this reason, we are all still slaves. We are not forced to work in the hot sun all day without compensation and live in squalor on our slave-owners farms - however, we are forced to live with their ideas about how to use OUR MONEY. We have already been forced to use the full resources of the United States of America to sell weapons to terrorists and then...
