By James W. Ziskin

Seventh Street Books, 2016. Soft cover. Book Condition: New. 1st Edition. Seventh Street Books, 2016. Trade Paperback Original. First ed. First Printing. Book Condition: New. From the author of "Styx and Stone", and "Mo Stone Unturned". "Ellie Stone is enjoying a bright Adirondack--Lake morning on holiday. Nearby, two men plummet to their deaths on the rocks below, just a few feet short of the water of a dangerous diving pool A tragic accident?--State police establish the two victims, one a stranger to the lake and the other, a teenage boy from a nearby band camp--surely they didn't know each other. That is a very strange anomaly, and then there's the out-of-place station wagon parked twenty yards from the edge of the cliff. The area is a real mixed population sporting gone to-ground fellow travelers, free-love intellectuals, rabid old-time right-wing John Birchers, and charismatic evangelicals. Ellie must navigate old grudges and Cold War passions, lost ideals and betrayed loves. Not a safe mixture, especially for Ellie who has to stick her nose into everybody else's business. Review copy with Publisher's PR material laid in. Mint in full color pictorial wraps.
