Mann, Ivanov and Ferber, United States, 2010. Paperback. Condition: New. Language: Russian . Brand New Book ***** Print on Demand *****.Do you have an aspiration to grow in your career? Are you worried preparing for an interview questions? Dealing with bad bosses or coworkers who do not like you? There are very few books about career growth in Russia, even less written by the authors of Russian origin willing to share the lessons learned on their way up. The author of this book was the first Vice President of Russian origin in IBM headquarters and later moved to an executive board position in one of the leading companies in logistics. The book is half-advice, half-memoir, sharing the story of her personal growth with a special attention to the details of Russian mentality meeting the realities of the global business environment.
