

GCSE Additional Applied Science Revision Guide

By -

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, GCSE Additional Applied Science Revision Guide, The second edition of the GCSE Additional Applied Science resources has been developed in partnership with OCR, the University of York Science Education Group and the Nuffield Foundation. They have been fully updated to match the new 2011 specifications. The second edition builds on the success of this hugely popular suite of resources. Using extensive feedback from schools and teachers using the resources, the new suite provides ideal support for the 2011 specifications. There is now increased support for exam preparation and assessment throughout the course and more differentiation support to help learning for all abilities. There is greater customisability using the latest digital support and it's packed with new scientific contexts reflecting the latest research and ideas. The GCSE Additional Applied Science Revision Guide contains activities to help students reach their true potential. It identifies areas that require further work and also contains concise fact banks and practice GCSE-style questions.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- *Lillie Toy*

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
