Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Getting Away with it: Or - Further Adventures of the Luckiest Bastard You Ever Saw, Steven Soderbergh, Steven Soderbergh and Richard Lester are a generation apart, but they share a sense of humour and a passion for cinema. Soderbergh's freshman film, "Sex, Lies and Videotape", inaugurated a movement in US independent cinema. Lester's freewheeling work in the '60s and '70s ("Help!", "A Hard Day's Night", "The Knack", "How I Won the War", "Petulia") helped create a 'new wave' of British film-making. Here, the two cineastes discuss their mutual passion for the medium in a frank, funny and free-ranging series of interviews. Also included is Soderbergh's diary of an extraordinary twelve months in which he ventured into 'guerilla film-making' with offbeat projects Schizopolis and Gray's Anatomy, before returning to the Hollywood fray with the George Clooney hit Out of Sight.
