I Willlam Payne. An Introduction to the Game of Draughts. London, 1756. Last page number, 67. Present value, \$15. This is the first work on the game of checkers printed in the English language. It contains fifty games, fourteen critical situations, and twenty-four stroke problems. The dedication notice and preface were written by Dr. Samuel Johnson, the lexicographer; but his name does not appear. This book has held the respect of all succeeding checker authors and compilers. A reprint, bearing the same date as the original issue, was published in (perhaps) 1795. In the original the name of the author on the title page is followed by the line, Teacher of the Mathematics. In the reprint the word the is omitted from the line. In the fortysixth game of the original the word drawn does not appear at the...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
