BELLA ROSA BOOKS, United States, 2009. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Aspiring actress Martha Virginia Brown was only twenty when she died in an apparent fall while appearing in summer stock in the North Carolina foothills. Now, fifty years later, her great niece and namesake, Ginger Cameron, arrives at the quaint tavern in Fiddler s Glen to unearth the forgotten details of her relative s death, and to escape the menacing overtures of a former boyfriend. According to those who knew her, Martha Brown was beautiful, talented, and full of life. She was also blatantly outspoken, and there are too many unanswered questions about the way she died. Some say it was an accident. Some say she was pushed. Others say she was a victim of the music played upon a fiddle by the ghost of a Confederate soldier--Lucifer s fiddle. But Martha s murderer proves much too real to be an apparition. Ginger soon learns the killer will stop at nothing to silence those who would expose the secret kept hidden for so many years, and she seems doomed to relive the fate of her late aunt. However, she doesn t count on the assistance of her aunt s sprightly spirit to lead her to the person responsible for her death, or on the love she has found in this unlikely place.
