Hidden Cache Media, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This Garden Diary, Journal Log Book is a book of 100 lined diary pages plus 10 garden plot graph pages with lined garden bed pages opposite for notations. Lined pages are illustrated with whimsical leaves. Plan your garden beds and track changes as they occur for a time-sensitive record from year to year. Pest and disease prevention, plant propagation, zone map, weights and measures and conversion tables are included. Note: This book is a smaller version of the many forms and logs found in the more comprehensive book entitled The Garden Journal, Planner Log Book. This is for those who want a simpler format or need more diary pages and plotting graphs for additional garden beds. The following is from The Garden Journal, Planner Log Book and holds true even for this smaller, less complex version: Even more valuable than your favorite garden trowel or spade is a written record of what works in your garden. WHILE GARDENING BOOKS AND THE INTERNET ARE FULL OF GREAT ADVICE, THEY CAN T REPLACE PERSONAL EXPERIENCE. Your garden is in your micro-climate, with your soil. Perennials in one part of the country aren t perennials in another. There are simply too many plants and too many variables for anyone to remember from year to year what worked where and what didn t and why. You need to remember WHAT WORKS FOR YOU--IN YOUR GARDEN. What really makes the difference between a great and a mediocre garden is how well the gardener keeps track of all the information needed to enhance success and avoid repeated failures. YOUR GARDEN WILL LOOK LIKE ART, but you will know that THE GARDEN DIARY, JOURNAL, LOG BOOK is the science...
