

Mastering the Nikon D5000 (Paperback)

By Darrell Young

Rocky Nook, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Mastering the Nikon D5000 by Darrell Young is a comprehensive guide for of the owners of this newest, budget-friendly generation of Nikon digital single lens reflex (DSLR) cameras. The smaller, more lightweight Nikon D5000 mixes generous portions of user-controlled manual photography features with the latest technological innovations, allowing fully automatic point and shoot simplicity. Darrell s approach in helping the reader to master this camera avoids the purely instructional technique, favoring a more friendly and advisory tone. He blends his decades of Nikon camera experience with an intuitive understanding of the readers most likely questions regarding specific camera functions and features. Rather than just list all options for the myriad of camera settings and adjustments, he explains the background behind each setting and shares his personal recommendations. Darrell understands that many owners of the D5000 may be just entering the world of DSLRs, and he takes the time to guide these new owners through the basics, while giving more experienced photographers the option of a refresher course. Also included is an entire chapter on the exciting new D-Movie function that can record high-quality HD movie clips...
