GOD - A BALANCE OF PROBABILITIES?

Custom Book Centre, Australia, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.WHAT IF? What if our task in life is to develop a spiritual understanding of our place in the Universe and the ability to relate harmoniously to all other species on Earth is a part of this development? What if each of us is already complete with an Inner Self, so that, given the right opportunity and conditions, we are sufficient of ourselves, to carry out this task of spiritual development? What if each of us is already a spiritual being with an indestructible relationship with God, regardless of any Man made religious overlay? What if God really has no interest in our physical welfare as this is mostly, within Man s abilities? And what if history is seen to suggest this is so? What if Science and Philosophy are the two ends of the same stick? What if death is simply a change from one form of reality into another? Perhaps, to the non-physical reality we experience as dreaming? What if, at death, each of us leaves this world as a spiritual identity - as we entered it, and then proceeds on to another stage of spiritual development appropriate to our level of understanding? What if all of this is so and we really have no need for competing man made religious systems of personal, spiritual salvation, with attendant religious guilt, domination, bigotry, and so on? Thin k about each of these for a minute or two and then ask yourself, truthfully, why they shouldn t be so.About the Author: Robert Rowe, as a lad, he attended a local Methodist Church for his basic Christian religious upbringing. However, as many others have also discovered, answers to...
