This instruction provides guidance to Occupational Safety and Health Administration (OSHA) national, regional and area offices, and State Plan programs and federal agencies concerning OSHA's policy and procedures for implementing inspection programs to reduce injuries, illnesses and fatalities, and eliminate workplace hazards in shipyard employment through the use of personal protective equipment (PPE). OSHA revised the shipyard employment safety standards addressing PPE in 1996 (61 F. R. 26321). The revised standards updated, reorganized and simplified shipyard employment PPE standards into a comprehensive framework that encompasses the ship repair, shipbuilding and shipbreaking industries. These 29 CFR Part 1915, Subpart I, PPE standards apply to all work in shipyard employment regardless of geographical location, but do not apply to construction operations in shipyards covered by 29 CFR Part 1926. On November 15, 2007, OSHA issued a final rule for Employer Payment for Personal Protective Equipment (72 F. R. 64341-64430) that applies identical rules to all industries regarding payment for PPE, including shipyard employment (29 CFR Part 1915). On September 9, 2009, OSHA issued a final rule, Updating OSHA Standards Based on National Consensus...
