Trafford Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is about you and me About us. About HIM About empty spaces and immortality About shooting stars and the world upside down; It is about questions and answers; about curiosity. It is a journey in time and space, into the reason of (pro-?) creation, and the miracle of to be It is a journey into the unknown into the inner part of you It is about what some would call it soul, or consciousness and other would call it advanced wave beam, matter or antimatter. Quantum physics, probably. It is about the moment when the soul opens, when the time has come. About that moment you can either anticipate or program. It just happens And all of our feelings are in resonance with the stars It is about the beginning and the end About the mystery of love But above all it is about YOU and ME.
