Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Instagram somehow emerged as our way to blow past all the bullshit around us, and say, fuck this shit . Oh wait, I need these. The human interaction is irreplaceable. Yet, Instagram is a tool, a launching platform to create bigger things and share amongst an audience that which we have to share. It is also a method by which to become aware of what we are tuning into, and a form of self reflection. How does what I post, or who I follow, reflect on who I am? Once we get over ourselves, we can utilize Instagram for what we really are trying to achieve with it, utilizing it as a platform for what we choose to share. And in essence, what it is and what it can further grow into, as a community of support, growth, learning, and user controlled thought provocation and information sharing that is our own community based database.
