Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Elements of the Hebrew Language Probably one reason why so little attention has been paid (except by theological students) to the study of Hebrew heretofore, has been the erroneous but long-prevailing idea, that it is a hard and disagreeable language to acquire a knowledge of but nothing could be further from the truth; for there is not a lad of ordinary capacity who cannot obtain a knowledge of it in less time, and with far more ease, than he can that of either Latin or Greek; and yet both boys and girls learn these languages.
