Thames & Hudson. Hardcover. Condition: New. 176 pages. A dazzling collection of Duane Michals portrait photography, featuring never-before-published images of some of the greatest actors, musicians, artists, and writers of the past fifty years. Duane Michals: Portraits presents for the first time a comprehensive overview of more than a half-century of portrait photographs of many of our era's most influential and entertaining artists. Duane Michals, the subject of a major retrospective exhibition organized by the Carnegie Museums in 2014 and scheduled to travel in 2018, has long been recognized for his inventive photo sequences, which shaped the work of several generations of artists. But even as he enjoys wide acclaim, a central body of work by the eighty-five-year-old artist remains little known. For decades, Michals was a sought-after editorial photographer for leading magazines, portraying outstanding creative personalities of our era. This comprehensive selection of his inventive portraits, many not previously published in book form, is accompanied by Michals' inimitable, sometimes hilarious observations and reminiscences, which will delight his fans and engage new admirers. The book features intimate and illuminating images of musical performers such as Barbra Streisand and Johnny Cash; actors from Dustin Hoffman and Robin Williams to Tilda Swinton; contemporary artists including Andy Warhol, David Hockney, and Jasper Johns; authors such as Norman Mailer and John Cheever; and old masters of modern art including Ren Magritte and Balthus. 150 illustrations in color and black and white. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
