E-Z Biology (4th edition)

By Gabrielle I. Edwards, Cynthia Pfirrmann

Barron's Educational Series Inc., U.S. Paperback. Book Condition: new. BRAND NEW, E-Z Biology (4th edition), Gabrielle I. Edwards, Cynthia Pfirrmann, Barron's "E-Z" books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college - 101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements - and for some courses, as main textbooks. "E-Z" books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second colour as an easy reference aid. Topics covered in this title include the cell, bacteria and viruses, fungi, plants, invertebrates, chordates, Homo Sapiens, heredity, genetics and biotechnology, evolution, and ecology.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who stutte that there had not been a worth reading. You may like how the author publish this ebook.

-- Demetrius Buckridge

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- Curtis Bartell
