Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HB Publishing. Paperback. Condition: New. 298 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. In *Beyond Animal, Ego and Time* the author takes you on a journey of personal discovery. Believing human belief systems must mirror the knowledge of their time, the author challenges readers to re-examine what we think we know in the 21st century. Together you see truths emerge that identify what is most important to the future; a re-definition of human purpose, how best to cope with life's challenges, and what some would argue is a scientific justification for a belief in reincarnation.
