A WALK INTO THE UNKNOWN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You hear someone call your name when you are alone in the house. You find muddy footprints in your home after returning from shopping and no one has been there while you were gone. You have the same horrifying nightmare night after night. You see dark shadows out the corner of your eye. You have a dream about something happening, and then a week later it actually occurs. Someone gets on a train and seemingly disappears into thin air. Your dog is always growling at something no one can see but him. An experienced pilot flies out to sea only for plane and pilot never to be seen or heard from again. You feel like you re being watched all the time. A twenty year old college student goes out to check the mail and vanishes into thin air. You wake up in the middle of the night with large scratches down your back and no idea how they got there. A faucet is turned on full blast with no one near it. Whether you believe in ghosts and the paranormal or not, there are just some things that are beyond reasonable explanation. Join me as we explore strange occurrences and the theories behind them. Also included are eyewitness encounters.
