Lulu.com, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Valor, Fortitude, Bravery, Fearlessness, Courage, being the qualities of soul which appeal most easily to juvenile minds, and which can be trained by exercise and example, were, so to speak, the most popular virtues, early emulated among the youth. Stories of military exploits were repeated almost before boys left their mother s breast. Does a little booby cry for any ache? The mother scolds him in this fashion: What a coward to cry for a trifling pain! What will you do when your arm is cut off in battle? What when you are called upon to commit harakiri? We all know the pathetic fortitude of a famished little boy-prince of Sendai, who in the drama is made to say to his little page, Seest thou those tiny sparrows in the nest, how their yellow bills are opened wide, and now see! There comes their mother with worms to feed them. How eagerly and happily the little ones eat! But for a samurai, when his stomach is empty, it is a disgrace to feel hunger. -Bushido, The Soul of Japan 1899.
