Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Howard, of Michigan, on the Confiscation of Property: Delivered in the Senate of the United States, April 18, 1862 Surely we ought never to incur such a stigma. Though we all feel, all know, that the provocation which has impelled us to take up arms is wanton and wicked; though the impartial pen of history must record the fact that the insurgents never suffered a wrong at the hands of the Government, and had no ground whatever to apprehend any; though their whole conduct from the beginning has been marked by perfidies and atrocities towards the Government and its loyal supporters, unexampled even in the chronicles of civil war, yet, for the sake of the great principles of humanity, for the sake of our own good name and the future good name of our beloved country, we must not yield to the impulses even of a just resentment and suffer ourselves to do that which may be indefensible in the eyes of mankind. Does, then, the practice of forfeiture and confiscation to the use of the State, as a means of carrying on war, justly deserve the denunciation it has received in this discussion? Is it by the usage of nations excluded as an instrument of modern warfare? Is it such a violation of the rules of humanity as to have gone into disuse in modern times? I do not so read history. On the contrary, I find it to be what it ever has been, an ordinary form of reprisals, a means of carrying on hostilities as ancient as the idea of property itself, receiving the practical sanction of...
