Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Annual Report of the Town Officers: For the Fiscal Year Ending December 31, 2002 We have audited the accompanying general-purpose financial statements of the Town of Gilmanton, New Hampshire as of and for the year ended December 31, 2001. These general purpose financial statements are the responsibility of management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit. We conducted our audit in accordance with generally accepted auditing standards accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at...
