Their goal is to become more and more like Christ, not only reflecting his character, but doing his work in the world. The process of transformation, from unbelief to faith and from faith to Christlikeness, takes place (ideally) in the context of a healthy church. That church, as a channel of God's grace, enables faithful disciples to take one step at a time toward spiritual maturity, effective ministry within the church, and useful service to the wider community. Every level on The Ladder of Faithfulness requires a different set of instructional methods. In this book, D. Michael Henderson offers practical advice for making disciples at every stage of spiritual growth.
