Wisehouse Classics, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Published now in the Wisehouse Classics series, The Call of the Wild is a short adventure novel by Jack London published in 1903 and set in Yukon, Canada during the 1890s Klondike Gold Rush, when strong sled dogs were in high demand. The central character is a dog named Buck. The story opens at a ranch in the Santa Clara Valley of California when Buck is stolen from his home and sold into service as a sled dog in Alaska. He progressively reverts to a wild state in the harsh climate, where he is forced to fight to dominate other dogs. By the end, he sheds the veneer of civilization and relies on primordial instinct and learned experience to emerge as a leader in the wild. London spent almost a year in the Yukon collecting material for the book. The story was serialized in the Saturday Evening Post in the summer of 1903; it was published a month later in book form. The book's great popularity and success made a reputation for London. Much of its appeal derives from its simplicity as a tale of survival. As early as 1923, the story was adapted to film, and it has since seen several more cinematic adaptations.
