*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

Grabs you like a deadly undertow and doesn t let you go. --Parade magazine Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on painkillers, a guest is dead, and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie s nemesis and sometime lover has something special in mind for the birthday boy. Now, on Halloween Eve, with time running out and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. Gretchen Lowell isn t just the most fascinating villain.to appear in crime fiction in many, many years; she s also becoming a multifaceted character capable of engendering a much wider range of emotions than one would expect of somebody who enjoys carving up spleens. --Booklist (starred review).
