

Scotland, Vol. 2: As It Was and as It Is (Classic Reprint) (Hardback)

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

(Meagan Roob)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Scotland, Vol. 2: As It Was and as It Is The Restoration in 1660 restored everything that was corrupt and bad wherever its power reached, and we have seen the wicked purpose with which its appeal to Celtic Feudalism was made in 1677. But the work of the Highland Host lasted only for a few months, and no raiding expedition of this kind could affect the permanent causes which were steadily at work all over the Highlands ever since the Clans had ceased to fight among them selves. The Rebellion which was raised in 1685 by my own unfortunate ancestor, the ninth Earl of Argyll, attempting, in concert with the Duke of Monmouth in England, to anticipate by a few years the Great Revolution which was at hand, was a Rebellion suppressed in a few weeks. He brought no hands of Irish Celts to ravage his native country. He brought no Dutch or German mercenaries to fight the battles of Scottish freedom. He achieved no immediate success to attract plundering Caterans always ready to flock to those who promised booty. He represented a Cause and not a Person. The Cause was one which Highlanders had never valued. His own lands had already become largely occupied by peaceful Farmers, whilst only a remainder of the Subtenants belonged to the Old idle and fighting classes. Celtic Feudalism therefore completely failed him. He did not appeal either to the rude. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing...
