

Georgia s Forest Stewardship Program (Classic Reprint) (Hardback)

By David Moorhead

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Georgia s Forest Stewardship Program Your forest is a complex ecosystem where trees, other plants, animals, micro organisms, soil and water interact. Its health, productivity and beauty is an important contribution to the community. Production of raw wood materials provides economic returns and supports Georgia s largest manufacturing industry. But forest habitats also nurture a myriad of plants and animals, including some that are becoming increasingly rare because of habitat loss. Your forest protects soil resources and provides clean water throughout the state. Forests offer aesthetically pleasing views and high-quality recreational opportunities. A commitment to the wise use and management of your forest resources now and for future generations is the cornerstone of Forest Stewardship. What role can you play as a forest landowner to make an impact on the quality of this precious resource? Think back to the fondest memories of your youth. Perhaps you conjure up carefree adventures involving hunting, fishing, camping or hiking. It may not have occurred to you then that those experiences were possible only because someone had taken the time and effort to preserve the natural...
