Every child of God is a decision-maker who makes dozens of decisions each day, but how many are anointed by God, are alive, and can prosper? God created the scientific method. He decides the end result of an idea He has envisioned in His Spirit, and declares it into existence by the words He speaks from His Own mouth. Every anointed decision represents the execution of an idea birthed by God in the beginning; and He gives His creative Spirit to whosoever He chooses as a willing vessel, so that it appears on earth in its exact time. His Word will always produce what He purposed it to do, and He prospers the vessel that performs it. Kings, Lords and God decide things. God s Spirit in a man shows him how to decide a thing as a king and lord under the authority of Christ Jesus. By using God s ten-step plan, the believer is assured that his God-given creative spirit can make decisions that will come to fruition and prosper him. As he prospers, the believer finds himself walking in the Light of the Father s countenance each day.
