The light is growing in the sky from a sparkling new sun. Yesterday is over. A new day has begun. And the past can no longer make you weep if you leave it in the shadows. Let it sleep. Look ahead and embrace the many gifts of today; bend the present to your will and it will obey. There s a beautiful gift in heaven that the stars pick up. They send it to earth on silver ribbons until they hand it to the dawn, who shares it all through the day. And when the sun sets, the gift is lent to the wind, and spread across the land, giving everything the luster of silver and gold, which all but the blindest eyes can see. The gift lights every trail, illuminating souls, and fanning the world with unique warmth that inspires beautiful dreams of success, and a realization that those dreams can materialize out of the darkness. That beauty is an Oracle of Success born on the wings of faith.
