Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FRAME-AND-PANEL CABINET

Taunton Press Inc, United States, 2011. DVD video. Book Condition: New. 186 x 106 mm. Language: English . Brand New Book. Stretch your skills and build a beautiful piece. In just 80 minutes, you can treat yourself to an overview of the fundamentals of case construction in Build a Frame-and-Panel Cabinet. Furniture maker and woodworking instructor Tim Rousseau walks you through every step of the process, from rough board to final cabinet in this DVD, which includes a Bonus SketchUp Plan. The perfect project for improving your work. As Tim demonstrates, this one-door, one-drawer piece is the best vehicle for teaching all the fundamentals. It involves mastery of a variety of unique joinery techniques. The external frame is secured with basic mortise-and-tenon joints but, as youll see, theres more to the internal frame than meets the eye and that includes using connectors called blades. Tackle the details that make all the difference. Youll learn how to make a frame-and-panel door that fits precisely into its opening, an efficient way to install knife hinges, and techniques for shaping tapered legs. Discover expert tips for installing a drawer that slides like a piston, so every drawer you build going forward will work just as smoothly. The one workshop class thats a must-see. These how-to episodes offer intermediate woodworkers an invaluable opportunity to master the essentials of constructing quality casework. From initial design and plans to finishing and hardware, its all here.
