

Advanced Treatise On Fixture Design And Planning, An (Hardback)

By A. Y. C. Nee, Zhen Jun Tao, A. Senthil Kumar

World Scientific Publishing Co Pte Ltd, Singapore, 2004. Hardback. Condition: New. Language: English . Brand New Book. Fixtures are an essential part of manufacturing production. This book covers computer-aided fixture design, fixture clamping synthesis and optimisation, workpiece-fixture interaction, intelligent fixture designed to integrate with processing equipment or machine tools so as to improve productivity and product quality, Internet-enabled fixture design and modular fixture database management. These are the emerging issues central to the development of computer-integrated manufacturing. Covering the established knowledge of fixture design automation and the niche areas of fixture system integration and Internet-enabled design, the book would be a prevalent reference for academics, manufacturing industrial engineers, and a valuable text for engineering graduate students.
