European Interuniversity Press. Paperback. Condition: new. BRAND NEW, From the Werner Plan to the EMU: In Search of a Political Economy for Europe (2nd edition), Lars Magnusson, Bo Strath, The aim of this book is to explore the preconditions of a European political economy. The establishment of the monetary union and the European Central Bank constitutes a major step towards greater economic, social and political integration between the Member States of the European Union, and is therefore a momentous event in European history. What do the historically given preconditions of a European political economy mean in practice and theory in terms of future possibilities? With a historical perspective on European monetary integration, from the strains in the dollar-based Bretton Woods order in the 1960s and earlier, the Werner Plan around 1970, and the internal market in the 1980s to the Maastricht Treaty in 1992, future prospects of EMU are discussed. The book is based on the reflections of a working group at the European University Institute in Florence in operation from 1999 to 2001. The fifteen chapters are organised in clusters on the historical and conceptual setting, on financial institutions and economic theory, on social practices and legal framework, and on future prospects. Historians, philosophers, economists, political scientists and sociologists contribute to this interdisciplinary attempt to come to terms with both the preconditions and the prospects of EMU. Contents: Lars Magnusson/Bo Strath: From the Werner Plan to the EMU: In Search of a European Political Economy. Historical Perspectives and Future Prospects--Hubert Zimmermann: The Fall of Bretton Woods and the Emergence of the Werner Plan--Amy Verdun: The Political Economy of the Werner and Delors Reports: Continuity amidst Change or Change amidst Continuity?--David Purdy: Economic Theory and Policy from the Keynesian Revolution to the Third Way--J. Peter Burgess/Bo Strath: Money and Political Economy:...
