Barron s Educational Series Inc.,U.S., United States, 2015. Board book. Condition: New. Language: English . Brand New Book. Our Mini Dinosaurs series features adorable books die-cut in the shape of the dinosaur depicted in that story. Each board book is jam-packed with interesting facts, and every page is complemented by full-color illustrations that are handsomely rendered in a naturalistic style that will captivate kids (Mom and Dad, too). In Triceratops, children learn that being big doesn t always mean you re slow.This huge dinosaur with the three-horned-head was really fast and agile. Perfectly sized for little hands, this book is a fun, exciting, and interesting way to introduce children to this perennially popular subject.
