One wonders, for example, how Christians can realistically forgive those who betray the trust of close relationships. Would Christian forgiveness demand that children abused by caretakers respond to their perpetrators with unconditional regard? Would a spouse, even when a partner shows little or no movement towards reformation, be required to forgive repeatedly? *Is Forgiveness Possible?* explores the theological foundations of such forgiveness dilemmas by studying and then facilitation dialogue between the prayer of forgiveness found in Luke/Acts and American pastoral forgiveness theory. This dilemma raises insights helpful to Christians pondering forgiveness dilemmas.
