Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Princess Anne a Story of the Dismal Swamp and Other Sketches Even this little book requires a little preface. Not to disarm the critics, for these gentlemen - they are always of the sterner sex - are far too busy to notice so small a waif, tossed up with the froth that marks the border of the endless stream of literature. Even if perchance one catches sight of it, the little waif may easily drift away in safety between the drops of quite a shower of ink. But in a preface is the proper place to say that these sketches are reprinted from The Looker-On, of 1896, and The Outlook, of 1895, through the courtesy of the publishers.
