You are about to discover a guide/memoir on how to overcome Colitis and not have to worry about anything when you leave your house again! Witness a true story! Living with colitis can be challenging, and it is a growing problem in the world, especially in North America, although it is very common in people of European Ancestry as well. This autoimmune disease can ruin sufferer s life completely. Colitis happens when the colon become inflamed, leading to diarrhea, abdominal pain, ulcers or rectal bleeding. If left untreated, it can lead to much more serious diseases, such as colorectal cancer, osteoporosis, liver disease, severe dehydration. Many of the symptoms can be manageable by using supplements or by following some general dietary guidelines. The purpose of this book is to give you natural techniques that are proven to treat your Colitis with a different approach compared to traditional methods. Here Is A Preview For You. After growing up in East Germany under the rule of the Stasi, with a father who abused her mother, Zoe came to know her two ugly sisters, Fear and Grief, very well. She describes the country and her living situation during her childhood as emotionally, psychologically and physically oppressive and suppressive, two states of being that would later have significant impacts on her health. Years later after the Berlin Wall fell, she moved to the United States,...
