Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

The author s character development and strong dialogue guide the reader through a story of competition and jealousy. Luepke is a good storyteller and does a fine job of representing the modern business era with a focus on finding the positives in a tough world. -SAM, Facilitator, Lakeview Writers Club J. J. Luepke has woven a tapestry of detailed description into this intriguing novel of lust, murder, and mayhem. This is a great read for anyone looking to live a fairytale rags-to-riches vicariously through the simple means of reading a book. -Jody Isaackson, Former Newspaper/Newsletter Editor I ve read J.J. Luepke s novel a second time-I liked it that much. It was fast-paced and kept a person reading to the end. -S. C.
