Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

A THEORY OF THE SELF: BASED ON THE M FUNCTION (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Theory of the Self is based on primary research which reveals that individuals define themselves through decisions that involve five groups of motives among which the most important involves being themselves, being happy and suiting their personality. Other categories are Economics, Following Norms, Self-respect, and Projecting and Image. The Self is a function which manages the internal process and the interface with the external world. The Self is superimposed on another function which is consciousness itself.
