Hatje Cantz, Germany, 2018. Hardback. Condition: New. Language: English . Brand New Book. In 2016 sculptures by Fred Sandback (1943-2003) were installed in the Casa Luis Barragan, the Casa Antonio Galvez, Cuadra San Cristobal and the Casa Gilardi of Luis Barragan (1902-88). The American minimalist and the Pritzker Prize-winning Mexican architect share a common interest in the properties of light and color; the remarkable interplay between their works, documented in photographs, is presented for the first time in this publication, with essays by Barragan Foundation Director Federica Zanco and curator Daniel Garza Usabiaga, as well as a conversation between architect Roger Duffy, artist Amavong Panya, curator Lilian Tone and author Edward Vazquez.
