Amazon Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. At almost forty, Clare Donoghue is living child-free and loving it. Then her boyfriend says he wants kids, breaking off their promising relationship. And it's not just boyfriends: one by one, her formerly carefree friends are swallowed up in a nonstop cycle of play dates and baby groups. So Clare decides it's time for people who don't have children to band together. And so the No-Kids Club is born. As the group comes together--Anna, who's seeking something to jumpstart a stale marriage, and Poppy, desperate for a family but unable to conceive--Clare's hoping to make the most of the childless life with her new friends. Will the No-Kids Club be Clare's route to happiness, or will the single life lose its sparkle?.
