Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Bigfoot Is Seen In Oregon In the Siskiyou National Forest by Liz LaMac Foreword by George Dudding Just like the first book, Bigfoot Is Here in Michigan; this book is full of true accounts of the biped beast called Bigfoot. However, our characters, the citified Benson Lambert and the Manistee bunch, are as loveable and unpredictable as ever. Benson survived that winter night back in Michigan, but because of Bigfoot, he caught pneumonia. Now, six months later, he and his friends are planning a Bigfoot hunt in Oregon. Doc Simmons says Benson isn t well enough to go on the Bigfoot hunt, but Benson feels he has to go while the weather is warm. Benson says, What can go wrong? I will have my friends with me. Doc Simmons laughs. There is safety in numbers, Benson, but only if we all stick together and no one does anything stupid. But they did do something stupid. What will the consequences of that be? Benson had to see the only Bigfoot trap in the world. He saw it, but will that decision cost him his life?.
