

Superstition. Nothing Is Incredible Enough Not to Be Believed In

By Lisa-Sophie Schöben

GRIN Verlag Jul 2015, 2015. Taschenbuch. Book Condition: Neu. 211x149x3 mm. Neuware - Pre-University Paper from the year 2012 in the subject English Language and Literature Studies - Other, grade: 0,7, , language: English, abstract: It is really true that superstition has already had a long tradition. Its roots can be traced back into Ancient Greece; it played an important role in antiquity and had its peak in the Middle Ages which is especially known for the witchcraft trials. Many tragedies, dramas, and poems from that period of time dealing with superstition are still popular today. By definition 'superstition is a widely held but irrational belief in supernatural influences, especially as leading to good or bad luck, or a practice based on such a belief.' It attributes powers to persons and things which are not nature-given. Is superstition a current matter nowadays Which elements are still present today and how far is it spread Is there room for anything so old-fashioned, credulous, and primitive in our modern, rational time determined by reason, intellect, and sanity Or is it just an unimportant 'fashion' which recurs every now and then and is only smiled at by the majority Does superstition have any...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which in fact modified me, affect the way I really believe.

-- Beverly Hoppe

Extremely helpful for all class of individuals. Better than never, though I am quite late in start reading this one. I realized this publication from my I and dad suggested this ebook to discover.
