An Indian Odyssey (Paperback)

By Martin Buckley

Vintage Publishing, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. The Ramayana - the Journey of Rama - is India's best-loved book, an inspiration to school-children, monks and moviemakers, yet it is virtually unknown in the Western world. The story of Rama, an exiled prince searching savage jungles for his kidnapped wife, it mixes Homer's Odyssey with Conrad's Heart of Darkness. It is an ancient epic, at once violent, spiritual and erotic. Yet it also lies at the heart of India's fiercest modern controversy, the Hindu-Muslim clash that has claimed 13,000 lives since 1992. When Martin Buckley first encountered the Ramayana twenty-five years ago, it seemed a key to unlocking the myriad mysteries of Indian life. He dreamed of retracing the journey of the blue-skinned warrior god from his birthplace in North India to the climax of his confrontation with evil in Sri Lanka. Buckley's own physical and spiritual odyssey, a sometimes perilous passage through India by motorbike, microlight, bus and train, offers unique and passionate insights into the heart of India - ancient and modern.

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.

-- Noel Stanton

Absolutely one of the best pdf We have ever read. I really could comprehend every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.
