

## Peter Squared (Paperback)

Filesize: 1.24 MB

### **Reviews**

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Wyndmoor Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kirkus Review: Clinical psychologist Goldberg s first novel explores the twin concepts of outsider status and insanity, with a mathematical twist . By turns comic and tragic, readers must form their own opinions about what truly constitutes sanity in an insane world. Peter, a habitual peep show user, dreads dirt, fears contamination, and lives each day in strange fantasy and total emotional isolation. By strictly adhering to self-imposed mathematic rituals, he maintains his own orderly - albeit lonely - universe in a chaotic world. One day, he meets John, a lifelong mental patient. From their respective disturbances, they form an odd, but deep, friendship. A literary novel, Peter Squared is both tragic and funny. Through vivid characters and absurd situations, Peter Squared addresses such controversial questions as: Are neglected and abused children better off protected or left alone? Is smoking really bad for you? Does fellatio violate kosher dietary laws?.
