WestBow Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever heard the phrase, Bloom where you re planted ? Forget about it! Plant yourself where you can bloom. Wealth creation is not as difficult as people make it. You have the power within you to become highly successful. God created each of us with unique gifts and talents. He expects us to use those gifts to make a living and to have an overflow for serving others. So where did it all go wrong? Why are so many people struggling today to just scrape by? Two words: reactive living. Reactive living is a risky behavior that leaves many grinding away at unfulfilling jobs and working for nothing more than to get to the weekend. That is not God s plan for your life. This book walks you through the five areas of FOCUS that can drive you to a much faster wealth creation result. The FOCUS framework is a five-step system for using the gifts God gave you to create the abundant life he has planned for you. Packed with practical advice on how to build a balanced and aligned strategy to create wealth, author Melissa Fraser tackles this serious topic in an entertaining way, covering alligator wrestling, constipation of the brain, and the best news of all: no, you do not have to eat that frog. Complete with career path tools, business planning tools, and a free single-page life strategy template, this guide offers something for everyone, whether you are an employee, a business owner, or just getting started on your career.
