

Korean Politics: Striving for Democracy and Unification

Filesize: 9.47 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

KOREAN POLITICS: STRIVING FOR DEMOCRACY AND UNIFICATION

[DOWNLOAD](#)

Korean Book Service Jan 2002, 2002. Buch. Condition: Neu. Neuware - Modern Korean politics has developed in the midst of great turbulence. In the first half of the twentieth century, Korea experienced Japanese colonial rule, liberation, national division, and civil war. Since then, Korean politics has been dominated by repressive dictatorships and widespread civil uprisings. The transition to democracy has been long and arduous. This volume, *Korean Politics: Striving for Democracy and Unification*, offers a critical view of the contemporary political arena by presenting a range of enduring historical factors that continue to influence Korean politics, and considers their implications for the future. Under the guidance of Prof. Kang Jung In, the 28 articles contained in this volume were selected from a total of over 300 published in the *Korea Journal* over the past 40 years and are arranged under five major themes. The nine articles in Part I cover the evolution of diverse political institutions in Korea, including the political party system, presidential and National Assembly elections, the bureaucracy, and local-level governments along with an overall assessment of democratization in Korea. The growth of civil society and social movements in the midst of Korea's democratization is the focus of Part II. This section discusses the Korean state as it is based on the concept of state autonomy, the strengths and weaknesses of civil society, and the role of the public sphere-especially the media-in the process of democratic transition and consolidation. Part III introduces political culture and discourses of reform, examining such issues as the authoritarianism that dominated Korea's political processes, the continuing influence of Confucianism on political reform, and how popular conceptions of politics have changed during the transition to democracy. In dealing with North-South relations, Part IV presents a range of opinions on how to improve inter-Korean relations...
