Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Everything Beautiful Began After, Simon Van Booy, Simon Van Booy, winner of the prestigious Frank O'Connor International Short Story Award, brings his gift for poetic dialogue and sumptuous imagery to this debut novel of longing and discovery amidst the ruins of Ancient Greece. Rebecca is young, lost and beautiful. A gifted artist, she seeks solace and inspiration in the Mediterranean heat of Athens - trying to understand who she is and how she can love without fear. George has come to Athens to learn ancient languages after growing up in New England boarding schools and Ivy League colleges. He has no close relationships with anyone and spends his days hunched over books or in a drunken stupor. And then there is Henry, an accomplished young Welsh archaeologist who spends his days devotedly uncovering the city's past as a way to escape his own - a past that holds a secret that not even his doting parents can talk about. As these three lost and lonely souls wander the city, a series of chance encounters sets off events that will forever define them, in this powerful portrait of friendship and young love.
