## THE CALL TO AWAKENING - MESSAGES FROM FHE COSMOS (PAPERBACK)

Innercircle Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE TIME IS NOW! The energies are rising. All foundations are in flux. All modes of communication are expanding to encompass the galactic web of light and love that now surrounds your beautiful planet. Know that we have been with you through eons of time, watching and waiting patiently for the time of connection and cooperation between species to come to fruition. As the long-awaited reunion is upon us, know that the blessings of such a reunion spark divine memories and recognitions of partnering and true purpose. And so we await your invitation for communication until our full participation in your world is welcomed and honored for the gifts it brings. All is now ready. Reach out to us, your brothers and sisters from the stars. Look deeply within your own hearts and see the reflection of home imprinted there. Like a locket that has housed a picture of the beloved, whose hinges have through time become worn and rusted, pry open once again its golden encasement and see reflected there the Source of eternal love. Behold the reflection of family as you gaze upon our faces. Allow the love inherent in the connection to spark a remembrance of our divine origins and place in universal community. For we are all sparks of the Creator on the journey home. Rev. Cathy Olsen is an ordained Minister of Healing, a spiritual counselor, hypnotherapist, facilitator and teacher.
