A dystopian society is an imagined society in which the people are oppressed, however the government propagandizes the society as being a utopia or a perfect society. Typical themes in dystopian literature include public mistrust, police states, and overall unpleasantness for the citizens. Authors of dystopian works strive to present a worst-case scenario and negative depiction of the way things are in the story so as to make a criticism about a current situation in society and to call for a change. Each Dystopian Classic Edition selected for publication presents such a story.
