FROM MY MIND, FROM MY VOICE (PAPERBACK)**DOWNLOAD**

Yorkshire Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a powerful and game-changing new book, Tehron Jaqui Bush explores these questions from a uniquely-Christian frame of reference. From My Mind, From My Voice is steeped with the author's guidance and wisdom, all molded by the faith Bush holds so dear. From My Mind, From My Voice, a book written by Tehron Jaqui Bush, provides a Christian frame of reference towards subjects of religion, sociology, political science, ethics, foreign affairs and education. Readers will learn my perspective infused with Christian values, as I tackle challenging questions directed toward presidential politics and more. In my opinion, the election of 2000 brought many frightening truths about the U.S. political system to light, explains Bush, a scholar athlete and retired service member. It created awareness for Americans to develop and really begin to voice their political opinions, as well as rally to improve voting procedures. The outcome of this is a nation whose collective mind is more enquiring than ever before and, while I don't have all of the answers, my commitment to my Christian faith certainly positions me to explore questions from a deeply-personal perspective. At no time is perspective more valuable than when our nation is on the cusp of new Government and the potential for boundless change.
