Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Pot-Bouille est un roman d Emile Zola publie en 1882, le dixieme de la serie les Rougon-Macquart. Le mot pot-bouille designait au XIXe siecle en langage familier la cuisine ordinaire des menages, en gros synonyme de popote. Mais il n est pas question de cuisine, sinon au sens figure: Zola veut en effet montrer l envers du decor d un grand immeuble parisien ou, derriere un luxe de facade, vivent des familles bourgeoises dont le comportement quotidien est aussi peu ragoutant qu un mediocre brouet, un pot-bouille. Comme dans les autres romans de cette serie, il y a une visite detaillee de chaque appartement, mettant en valeur la mesquinerie et les vices plus ou moins caches de chacun. Le heros est Octave Mouret (deja apercu dans La Conquete de Plassans). Il a 22 ans, est d aspect tres soigne. Il est loge par les Campardon, troupe provencal compose du mari, de la femme et de la cousine Gasparine. Il devient rapidement l ennemi de Gasparine, l autre madame Campardon . Venant de Marseille, pour avoir une situation dans le haut commerce, il a deja des rentes et de l argent a placer (tres important pour la suite de la saga Les Rougon-Macquart). Campardon lui trouve rapidement un emploi chez les Hedouin, qui dirigent Au Bonheur des Dames, un petit magasin qui n a alors pas vraiment pignon sur rue. Octave, qui est arrive avec la ferme idee de conquerir la Parisienne, fait deja son choix parmi les femmes du coin.
